

DIGITAL HUB

DIGITAL HUB

TRAINING AND LEARNING/ CAPACITY BUILDING:

providing training and practical tools to enhance the capacities of government and non-government stakeholders to design and implement effective programs and policies to counter violent extremism;

RESEARCH AND INNOVATION:

catalyzing more research to gain a deeper understanding of the localized drivers of violent extremism, and developing new ways to effectively counter it.

COUNTER-MESSAGING AND STRATEGIC COMMUNICATION:

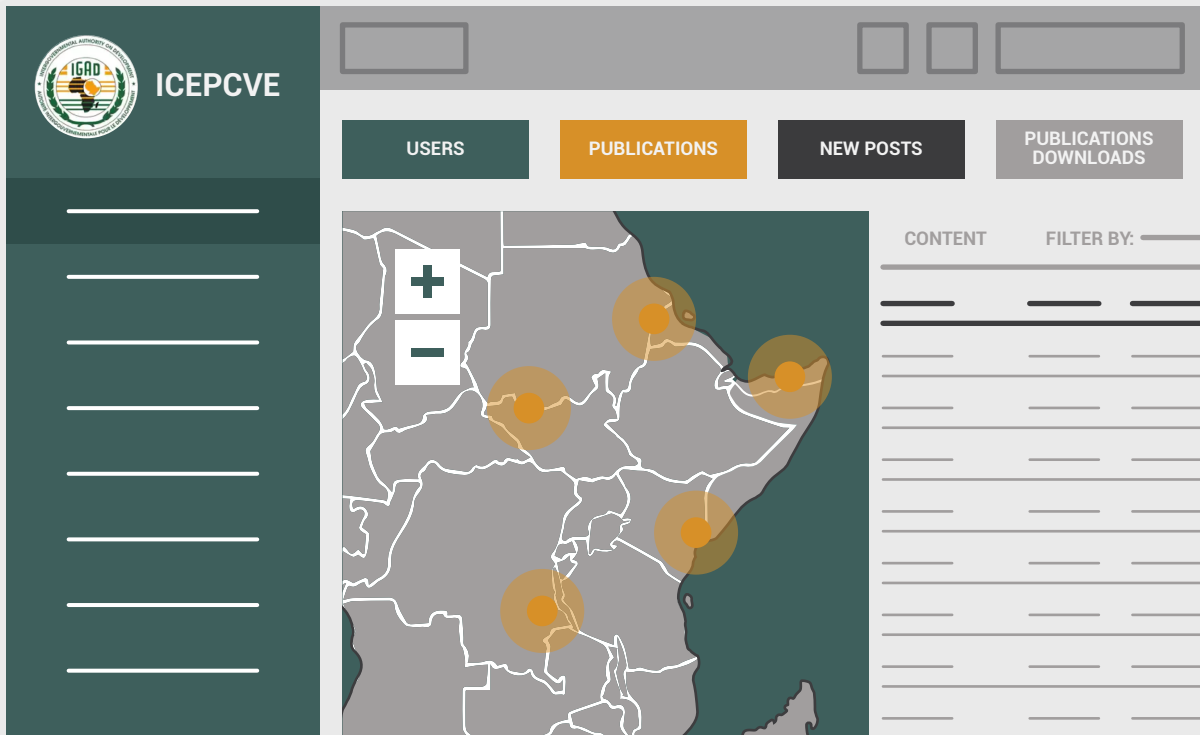

focusing on building the capacity of credible, local partners and potential partners to develop and disseminate their own counter-messages and alternative narratives, or to amplify existing ones;

TRAINING AND LEARNING/ CAPACITY BUILDING:

providing training and practical tools to enhance the capacities of government and non-government stakeholders to design and implement effective programs and policies to counter violent extremism;

DASHBOARDS

An informative dashboard which provides an overview of the collected statistical information on the activities that the user is engaged in: the number of users in the system, number of publications, posts, number of downloads of documents and other statistical information

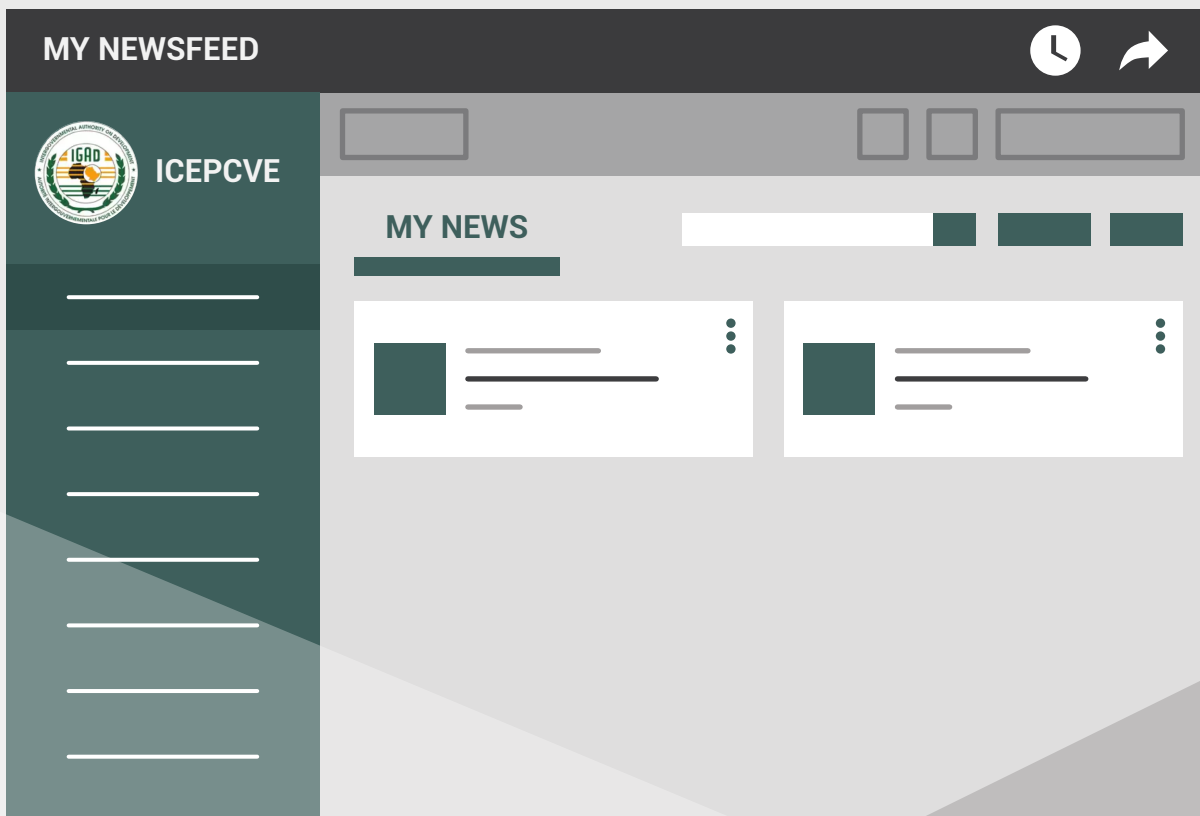

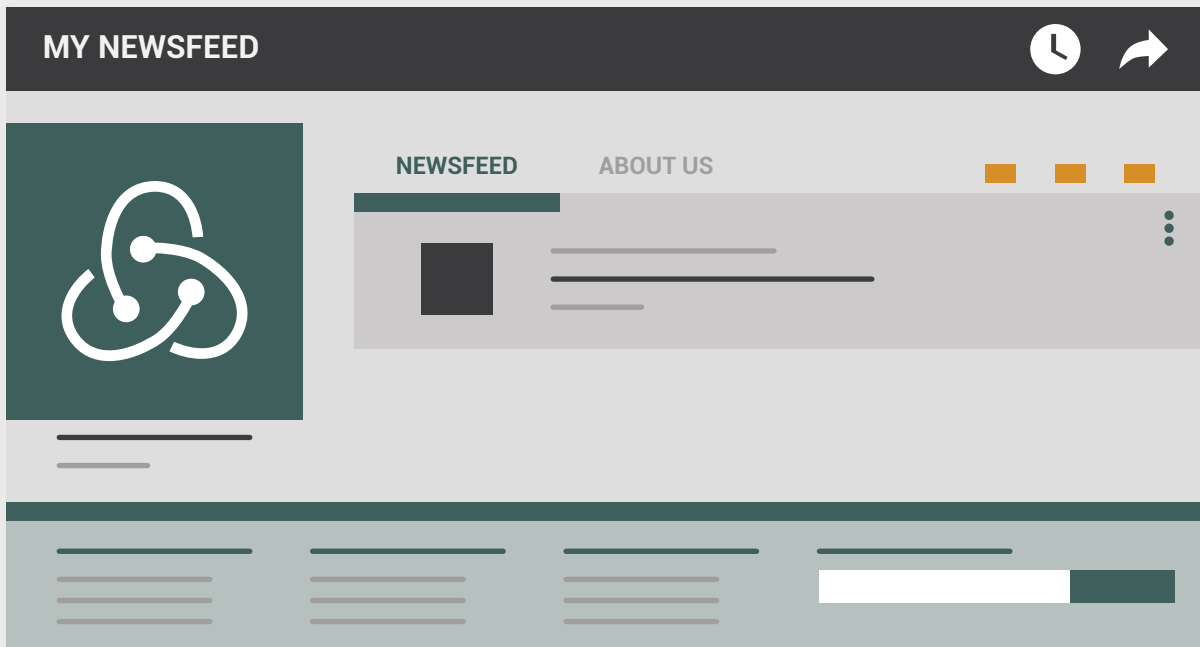

Information on the most popular topics (researches / documents / posts) and latest news or last activity among other users

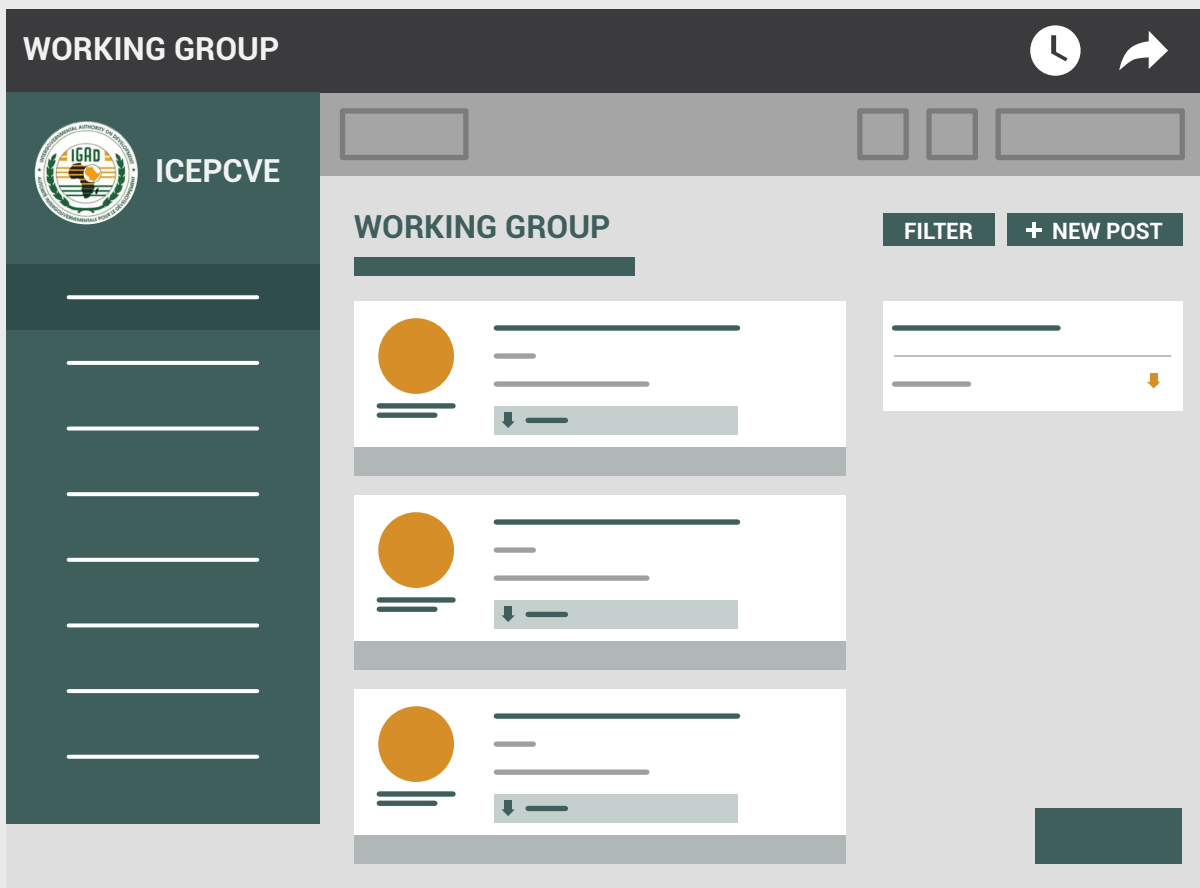

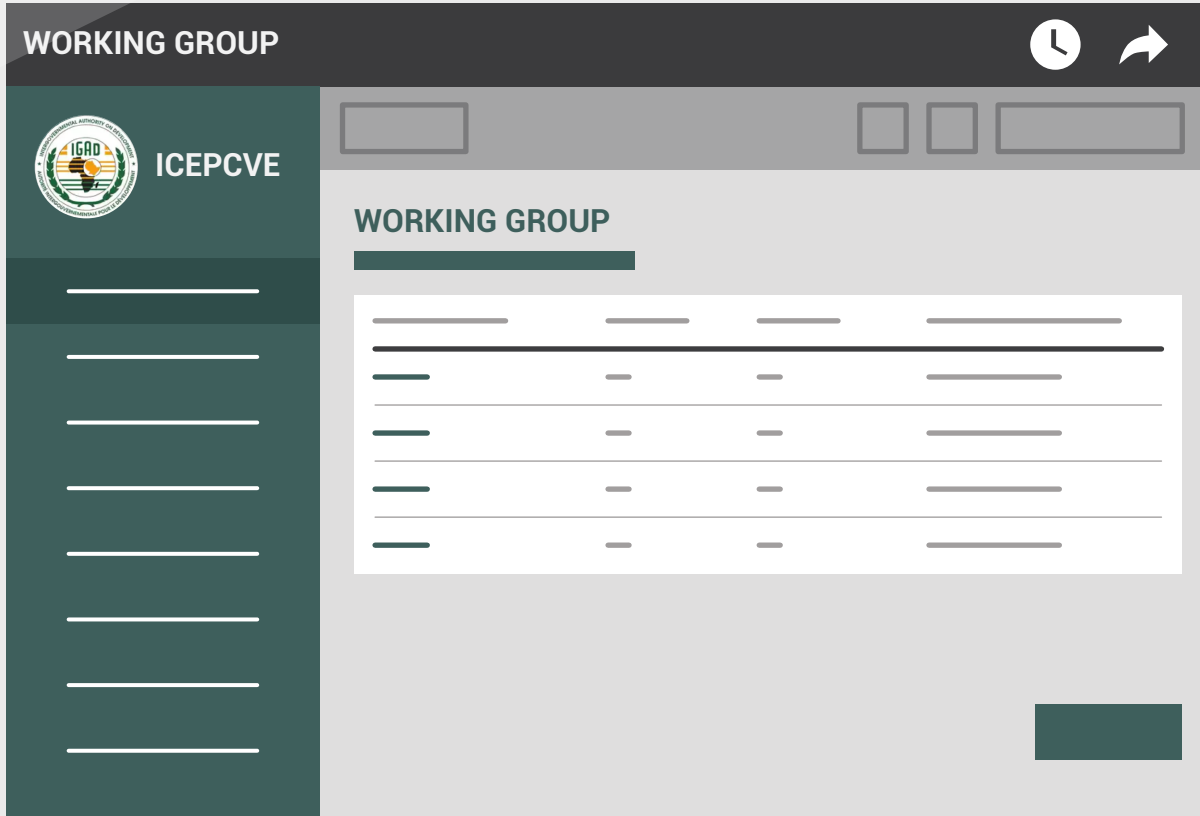

CSO HOMEPAGE AND NEWSFEED

A tailored homepage for CSOs in which you can populate your own news and posts to keep the public informed of your activities

WORKING GROUP

A closed stakeholders forum for users to communicate and collaborate in a virtual space

WORKING GROUP

Online communication with your working groups

The screenshot displays the 'WORKING GROUP' interface for ICEPCVE. On the left is a dark green sidebar with the ICEPCVE logo and a list of horizontal lines representing group members. The main content area has a dark header with 'WORKING GROUP' and navigation icons. Below the header, there are input fields and a 'RELATED DOCUMENTS' section with a dropdown arrow. A 'COMMENTS' section follows, featuring a '+ ADD COMMENT' button and a large text input area. At the bottom, there are 'UPLOAD ATTACHMENTS:' and 'RELATED DOCUMENTS:' sections, each with a dropdown arrow and a button.

MULTI-LINGUAL PLATFORM

The screenshot shows the 'ICEPCVE' logo and name on the left. To the right is a 'SELECT LANGUAGE' dropdown menu. The menu is open, showing five options: 'FRENCH', 'ARABIC', 'ENGLISH', 'SWAHILI', and 'SOMALI'. The 'ENGLISH' option is selected, indicated by an orange square next to the text.

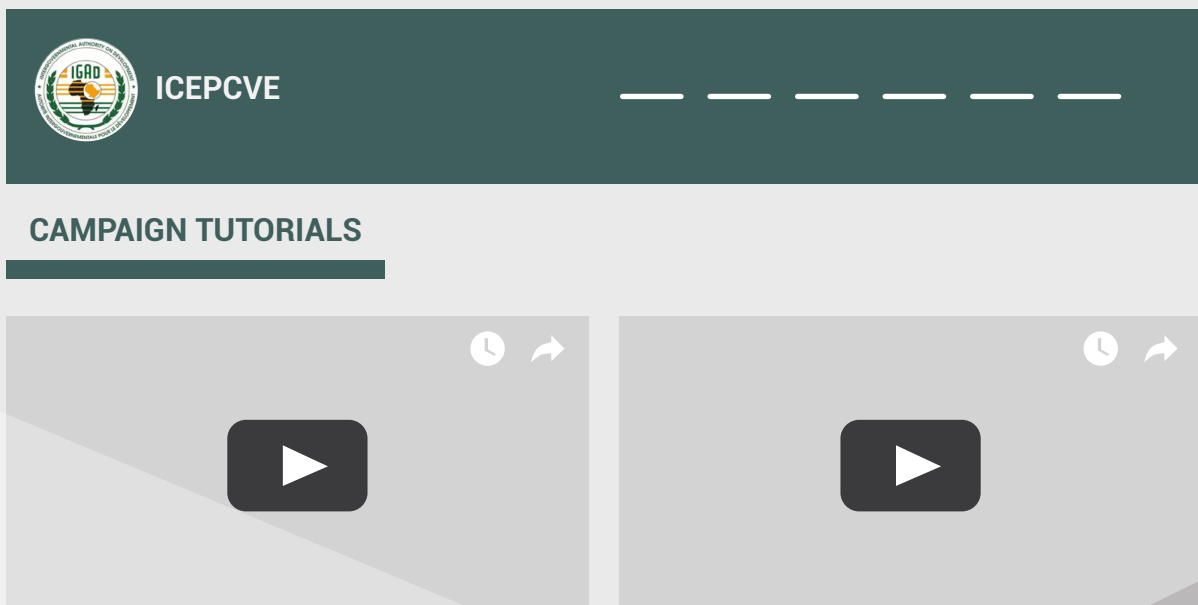

ACCESS TO KNOWLEDGE

A knowledge sharing hub which allows all users to upload and download multi-media content to the digital hub to provide access to information

CAMPAIGN TUTORIALS

A page with tutorials to promote virtual learning

ANNOUNCEMENTS ON FUNDING AND TRAINING OPPORTUNITIES

A platform where you can receive and follow announcements on funding and training opportunities
